Liftshare Stories

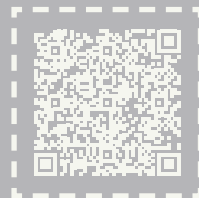

Liftsharing for the first time can be daunting, but it's a great community to be a part of. Check out some real stories:

"Car sharing works great for us. It's always good to catch up on what's gone on the day before. It's become part of our daily ritual and a welcome routine".

Travel Survey Results

The 2023 Boyton Place Travel Survey results suggested that 61% of respondents regularly travel alone, in a petrol/diesel car, adding to traffic, delaying your journey and polluting your environment! If everyone car shared with 1 other person, this number would drop by 50%!

Connecting Communities

A transport service provided by Suffolk County Council, helping people with limited access to public transport to travel around Suffolk.
